**[www.northshoreheritage.org](http://www.northshoreheritage.org) [info@northshoreheritage.org](mailto:info@northshoreheritage.org)**

## **Contractors and Suppliers**

The following names and contact information are of people that do a certain type of work, or supply a type of service or material. Most but not all have been used in heritage home renovations on the North Shore. This list is designed to help you narrow your search, not serve as a referral service. By compiling and distributing the contact information, we are not endorsing or recommending the quality of their work or supplies, and are in no way responsible for the quality of the work performed.

We welcome your feed-back and any unfavourable comments will result in deletion from our list.

If you can't find what you want, or have questions about these suppliers, ask on the email forum.

If you have suggestions for additions to this directory, please send them to [peter.miller@northshoreheritage.net](mailto:peter.miller@northshoreheritage.net)

Web or email addresses are given where available. We will inform you of updates through the email forum.
